Pledge of Allegiance

I salute the National Flag of Sri Lanka
which signifies the independence in my country
and stands for all its people
united as one nation.

I pledge allegiance to Sri Lanka
and undertake to work
towards its peace and prosperity
in a spirit of tolerance and love.

Code of Ethics

1. TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
2. TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
3. TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
4. WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
5. TO HOLD friendship as an end not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
6. ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.
7. TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
8. TO BE CAREFUL with my criticism and liberal with my praise; to build up and not to destroy.

Purposes

1. TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.
2. TO COORDINATE the activities and standardize the administration of Lions clubs.
3. TO CREATE and foster a spirit of understanding among the peoples of the world.
4. TO PROMOTE the principles of good government and good citizenship.
5. TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.
6. TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.
7. TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
8. TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Vision

TO BE THE GLOBAL LEADER in community and humanitarian service.

Mission

TO EMPOWER VOLUNTEERS to serve their communities,
meet humanitarian needs,
encourage peace and promote international understanding
through Lions clubs.

Message from Club President

Greetings!

I'm truly delighted and honoured to serve as the 3rd President of Lions Club of Colombo Second Century Pioneer Leo for the fiscal year 2019/2020. It is a privilege to be part of such a distinguished organization which has continuously contributed to the betterment of the community.

Even though the Lions Club of Colombo Second Century Pioneer Leo is just reaching its third milestone, it already has made a big difference in the lives of less fortunate. We have served long hours to help out the community, organizing a variety of programs.

Always adhering to the club's theme "Sheltering the Humanity", we hold a pledge to ourselves that WE SERVE in our maximum capabilities to uplift the status of the community. This year onwards, the club will focus on the Sustainability of our services to the society, which will lead to a long-term impact on the community. Instead of the typical programs that would temporarily resolve society's problems, we as a club, are willing to take the leap to continue our services in a more sustainable way, by organizing ventures that would have a bigger impact on the community in the long-run. That way, we believe that our humanitarian efforts would become more fruitful and meaningful.

Empowerment of volunteers stands as another goal for this year, which I'd be glad to initiate whole-heartedly. Everyone in the team has unique capabilities that can drive them towards achievements. Different programs will be organized to bring the best out of each volunteer that would help them to improve themselves, work towards defined goals and be a better social worker. The ultimate goal of this is to empower the Lions to serve better while being more responsible, accountable and professional. This will also exponentially enhance the humanitarian efforts of each individual to produce a greater result at the end of the day.

We as a young club, will keep our prominent service projects continuing, while initiating new ventures that would adhere to this year's core value; Sustainability. We maintain strong bonds with our fellowship, District 306 B2, while we warmly welcome new partnerships to join us in serving the community by providing quality, value and funds.

I would like to thank each and every member for their contribution to the various projects, we as a club, have been involved. Our focus on serving the community is a testimony to the fact that Lions Club of Colombo Second Century Pioneer Leo is an important part of what Lionism is all about. We are a spirited bunch, that is evident in our monthly meetings but that spirit ignites into a very generous and motivated group of members when called on to serve our community.

I would like to give a big thanks to our past president Prabuddhika Wijethunge who diligently guided our club to financial security and made the right decisions in directing us through the past year.

I'd make this an opportunity to thank Leo Lion Rajitha Abeygunasekara, Leo club program advisory panelist, District Chairman for Leos and Lions Opportunities for Youth, for guiding, advising and supporting us throughout the years.

Lastly, I would like to pledge to you, all members, that I will endeavor to carry on the tradition of leadership that has made this club a success. With your help I would like to enhance our services and increase the financial stability through new ventures and programs that benefit the community. After all that's why we are Lions!
Cheers to a wonderful year of Lionism!

Leo Lion Naveen C. Cooray
President (2019/2020)
Lions Club of Colombo Second Century Pioneer Leo
District 306 B2

Club Logo and Theme

Humanity is the virtue of a woman, generosity of a man

Let's not be afraid to accept each day's revival, whether it comes to us as sorrow or as joy. It will open a new room in the hearts, a place where we can welcome supplicatory waves from refuge and celebrate humanity. A true community is not just about being geographically close to someone or being part of the same social network. It's about involving in to create happiness among others too.

We cannot hope to build a better world without improving individuals. For that, each of us must work for own improvement and at the same time, share a general empathetic responsibility for all humanity, since it is our particular duty to aid who need us the most.

Progress is the attraction that moves humanity. Sheltering that humanity finds expression in our qualities of our capacity to love and quit strength for being standing for others. We must recognize that as the dominant power in the world, we have a special responsibility as Lions. Therefore we should take the Leadership in protecting the common interests of humanity.

The best humanity is in our exercise of empathy and compassion. It's when we challenge ourselves to walk in the shoes of someone whose in pain or plight may seem so different than yours where it might not be able to express all the time.

This life will never be without storms. Stop fearing to those. We will making a shelter for those hearts to stay safe with no fear!
